

DEPARTMENT OF LABOUR

NO. 626

03 MAY 2019

**COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT, 1993
(ACT No. 130 OF 1993), AS AMENDED****FINAL OPPORTUNITY TO SUBMIT OUTSTANDING INFORMATION WITH
REGARD TO CLAIMS LODGED BEFORE 1ST AUGUST 2014**

Notice is hereby given, in terms of Section 6A of the COID Act, to afford all clients the final opportunity to submit outstanding information for claims that were submitted to the Compensation Fund for injury on duty and occupational diseases with the date of accident or date of diagnosis before 1 August 2014, but remain open because not all the required documents to support a claim were received by the Compensation Fund.

The Compensation Fund regularly communicate with the affected parties (i.e. employer, the injured employee and medical service provider) to submit the outstanding information in writing but on most occasions the relevant and correct information does not reach the Compensation Fund hence claims remain open. The

Compensation Fund requests the affected parties to come forward with these claims and also submit the outstanding/required information that was requested by the Compensation Fund in order for the Compensation Fund to make decisions on those claims. The affected parties are given the last opportunity to submit all outstanding information/documentation for claims that were registered with the Compensation Fund before the 1st August 2014 during the period 15th April 2019 until 31st August 2019 to the nearest Department of Labour Office.

The Compensation Fund would also like to notify the affected parties that all claims that were reported before the 1st August 2014 but remain open and not supported by the complete and correct information/documents after the 31st October 2019 will be deemed repudiated and closed.

The Compensation Fund will accept the required documents through the following dedicated email #CF-claims2014@LABOUR.gov.za. The required documents may also be submitted at any the Department of Labour Centre. The tables below provide details of the documentation that should support a claim for compensation:
